

What is the Artistry Program?

The Artistry Points Program offered by Les Encres is a points-based program where active Les Encres Thread users may accrue points to redeem Les Encres discounts and recognition.

Who is eligible to earn Artistry Points?

Any active account purchasing Les Encres Threads may join the Artistry Program.

How do we earn Artistry Points?

It's easy! Artistry Points can be earned by simply ordering threads, posting your results on social media or helping to spread the word about your Les Encres experience.

What is the value of my Artistry Points?

Artistry points may be redeemed for free product and session discounts. Points may accrue to become eligible for the Master Les Encres Account designation.

How can we become a Master Les Encres Account?

Master Les Encres accounts must accumulate 250 points in a three-month period to receive this esteemed designation.

How can we become a Master Les Encres Injector?

Injectors at Master Les Encres Accounts may apply for the Master Les Encres Injector designation. A small series of tasks are required for this title as Master Les Encres Injectors are the best of the best in the industry.

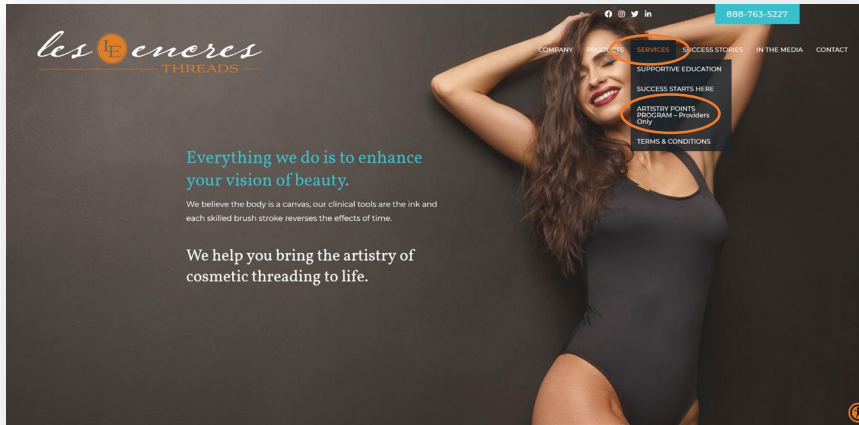

How long are my Artistry Points valid?

Points are cumulative by calendar year and must be redeemed by December 31st.

How can I get started?

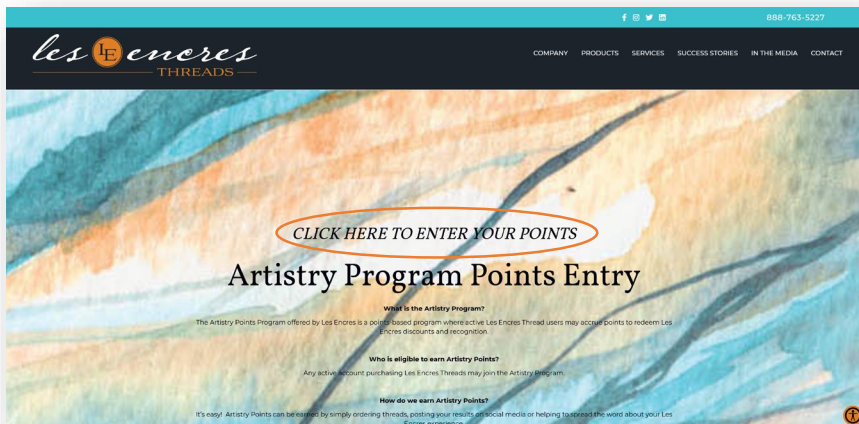

By reading and completing the Artistry Points Program Membership Agreement, you can get started today!

To learn more, call or email:

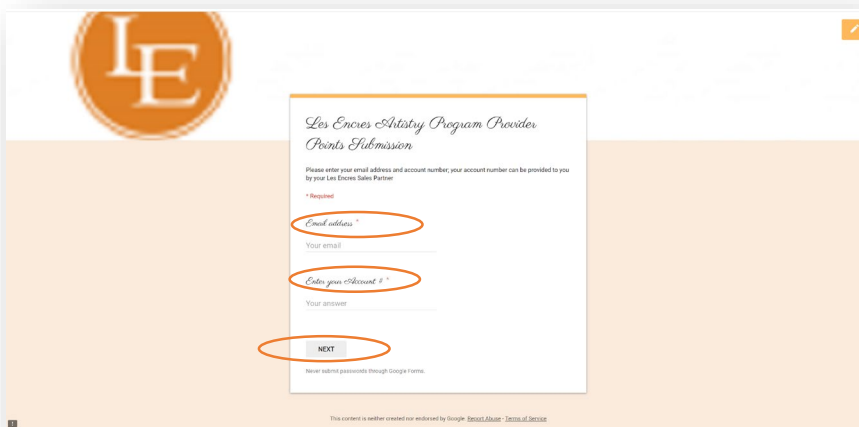

1) Open your browser to www.lesencres.com and select “services”
